Evacuation Routes (Arrows):

- Green arrows indicate the primary evacuation route from the classrooms towards the central staircase and the external collection zone.
- Red arrows indicate secondary or specific evacuation paths, particularly from the smaller rooms (mq. 17.5, mq. 16.0, mq. 8.0, mq. 10.0) towards the main exits.

Other Features:

- Staircases are located in the central and lower-right portions of the floor plan.
- Fire extinguishers (red icons) are placed throughout the rooms.
- Doors are marked with exit symbols (green arrows).
